MANILA, The Plaza.

LL 2308

TUCK'S POST CARD

CARTE POSTALE.

POSTKARTE

By Appointment.

The Plaza near the Government Building is a central rendezvous, and as it is surrounded by the principal public buildings of Manila, it presents a constant scene of activity. In the middle of the Plaza is a statue of Charles V of Spain, encircled by a garden of flowers. The Plaza is also characterized by trees and shrubs in formal arrangement, such as often distinguish public squares in most of the cities of Spanish origin.
